

THAI NGUYEN UNIVERSITY OF TECHNOLOGY

3-2 Road, Tich Luong Ward, Thai Nguyen City, Vietnam

Tel: (84)2803547611 Fax: (84)280 3847403 Email: R.intl@tnut.edu.vn

Dear Sir/Madam,

To celebrate the 51st foundation of Thai Nguyen University of Technology and carry out 2016's technological tasks, a scientific conference will be held with the title: "*The 3rd University Conference on Engineering and Technology Application*" with following details:

1. Time: August 2016;
2. Language: English
3. Venue: Thai Nguyen University of Technology.
4. Content:
 - Introduce and transfer Technology and Science research results;
 - Facts about applying and carrying out technological discoveries;
 - Factual urgent demand on scientific and technological field.
5. Participation:
 - Representatives from different universities;
 - Representatives of research government bodies, institutes and organizations in cooperation with TNUT;
 - Representatives from commercial enterprises;
 - Scientists and research experts.

On behalf of Thai Nguyen University of Technology, I would like to invite scientists, managers, researchers, domestic and international professionals, individuals concerned to write reports for the conference.

Papers must be written in English on A4 with line gaps 1.3 cm, font 13. Summaries must be written in English and translated into Vietnamese (summarized content of around 150-300 words); below English summaries are "key words", below Vietnamese summaries are "từ khóa" (of at least 5 phrases or words). Reports range from 5 to 10 pages. Reports joining the conference are printed in conference yearbook.

The well- done reports will be chosen by specialized board to print on Science – Technology Magazine of Thai Nguyen University.

Authors can register to demonstrate records in either way: full report or poster/video demonstration.

Place of acceptance: Office for Science – Technology and International Cooperation, Thai Nguyen University of Technology, Tich Luong ward, Thai Nguyen city. Phone number: 02803 547 611; Email: R.intl@tnut.edu.vn

Time period for registration and handling:

- Registration and summary handling: before 20th June, 2016.

- Full report: before 01st July, 2016.
- This conference is a good opportunity for domestic and international scientists, managers, researchers, professionals to introduce and transfer technological scientific researching results; technological and scientific ideas; application and carrying out of technology; factual urgent demand on scientific and technological field as well as enhancing academic cooperation with international professionals, devoting to improve international cooperation tasks, search cooperative chances and establish inter-field researching teams.

We look forward to meeting you at TNUT.

Sincerely yours,

Phan Quang The

Distinguished Educator
